### **Impending Storm Notice**

DART First State is preparing for a possible storm event for next week. DART service maybe limited or cancelled due to severe weather and unsafe conditions. Paratransit customers are urged to stay tuned to weather reports and be prepared for service interruptions should weather conditions deteriorate. In the event that Governor Markell declares a State of Emergency, fixed route and paratransit service will be suspended.

Should such a declaration occur mid-day, DART will continue to operate as long as safe road conditions and resources permit. In the event of any service interruption, DART will issue Rider Alerts to riders who subscribe to the service, and to the media. Please stay tuned for Rider E-Mails, Rider Alerts on DART's website, and your local news media for further updates.
